# FOREWORD

Assalamualaikum W.B.T. and warm greetings

First and foremost, I would like to congratulate Research and Industrial Linkages Division of UiTM Cawangan Melaka, for the publication of PJI EDGe. Special congratulation goes to all the PJI committee members for the hardwork and contribution in various area such as research, invention and innovation, entrepreneurs' development and industrial linkages.

I believe working with the new norms in 2020 in combating the novel coronavirus (COVID-19) is very challenging. The PJI Edge team has successfully published this bulletin with their robust effort and commitment not only for future references, but also as a good performance indicator. In this age of globalization and information technology, tele-communication has become crucial to mankind. We need to share up-coming events, circulate important information, distribute resources, exchange experiences and choose the best practices. Therefore, PJI EDGe bulletin is right on time.

I wish PJI of UiTM Cawangan Melaka to keep up the good work in helping the academicians to be

excellent in research, innovation and commercialization in the near future. Ultimately, it is my wish to see this PJI EDGe as a source of reference and benchmarking for UiTM Cawangan Melaka as well as other stakeholders.

Thank you.

# FOREWORD

Assalammualaikum W.B.T. and Salam Sejahtera,

First of all, I would like to express my deepest gratitude to Allah Almighty for giving us His grace to successfully complete the publication of PJI EDGE 2019. Special thanks dedicated to Research and Industrial Linkages Division (PJI), UiTM Cawangan Melaka for their excellent effort, cooperation, inspirations and supports in the success of this fourth edition. I am greatly indebted and honoured those involved in outstanding contributions. I also sincerely take my hat off to the UiTM Cawangan Melaka team for their perseverance and determination shown to achieve PJI's goals through research publications, consultancies, entrepreneurial activities, community work and industrial linkages.

In recognition of the achievements of all researchers, academics and staff of UiTM Cawangan Melaka, the objective of PJI EDGE 2019 is to acknowledge PJI's functioning units with all relevant activities and projects during the past year. As such, this report is useful in recording the necessary information regarding annual performance as well as sharing the specified indicators for future performance

as well as sharing the specified indicators for future performance for UITM Cawangan Melaka. In this sense, PJI EDGE 2019 serves as a comprehensive reference for UITM Cawangan Melaka as a whole in ensuring excellence in all areas. These achievements should also be an impetus for all teams in taking outstanding initiatives to drive UiTM Cawangan Melaka towards better performance.

Finally, I would like to extend my deepest appreciation to all staff in Rector's Office, PJI's unit and PJI EDGE's committees who provided good prospect in completing this publication. I am really thankful for all your priceless efforts, ideas and resources. Again, you are undeniably as part of this success.

Thank you.

**PROFESSOR DR. SHAFINAR BINTI ISMAIL**

# JOURNAL AND UNIVERSITY PUBLICATION (JPU)

# **JOURNAL AND UNIVERSITY PUBLICATIONS (JPU)**

## **ABOUT**

JPUThe Unit of Journal and University Publications (JPU) was established in 2015, following the re-structuring of the PRISMa Unit. The main functions of JPU are to manage the lecturers' scholarly publications, and the periodical publications by Research and Industrial Linkages Department. There are five sub-units in JPU, namely: (i) Journal; (ii) University publications; (iii) PRISMa; (iv) Bulletin; and (v) Conference.

### **The main objectives of JPU are:**

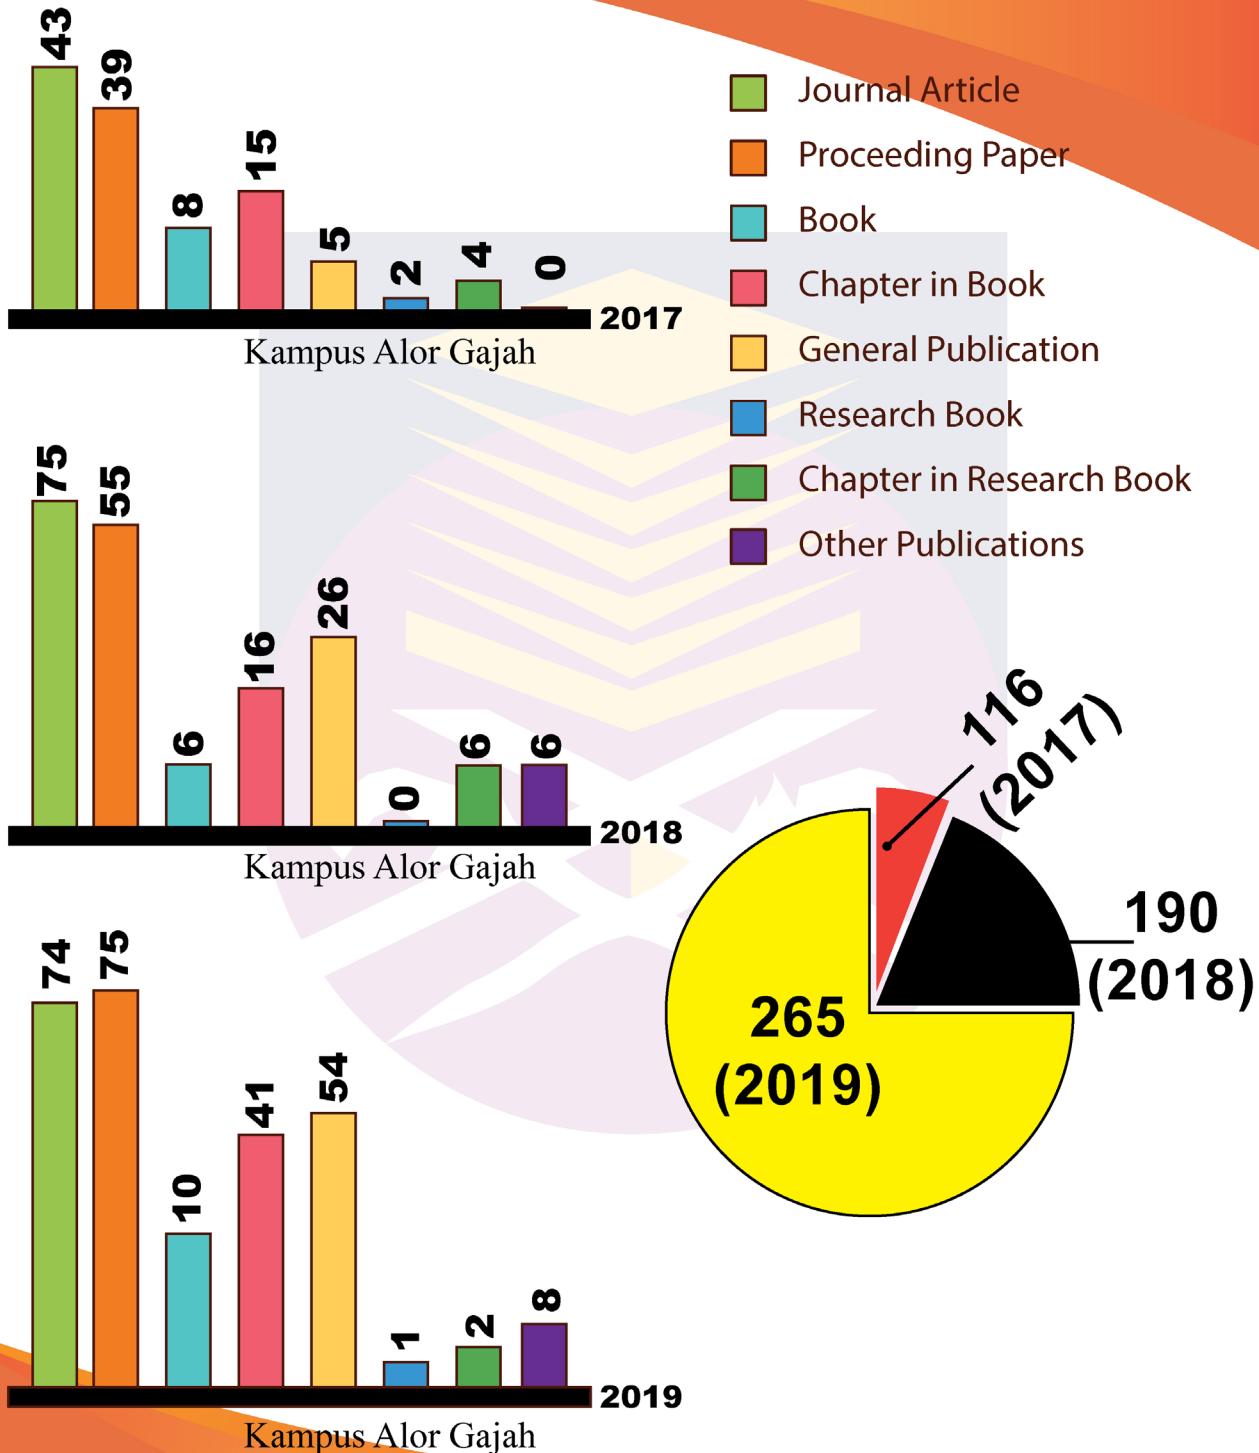

- To cultivate a writing and publishing culture among the lecturers.
- To coordinate scholarly programs organized by the faculties or campus.
- To establish and manage a journal published by UiTM Cawangan Melaka.
- To improve the authorship quality of lecturers.

### **The main responsibilities of JPU:**

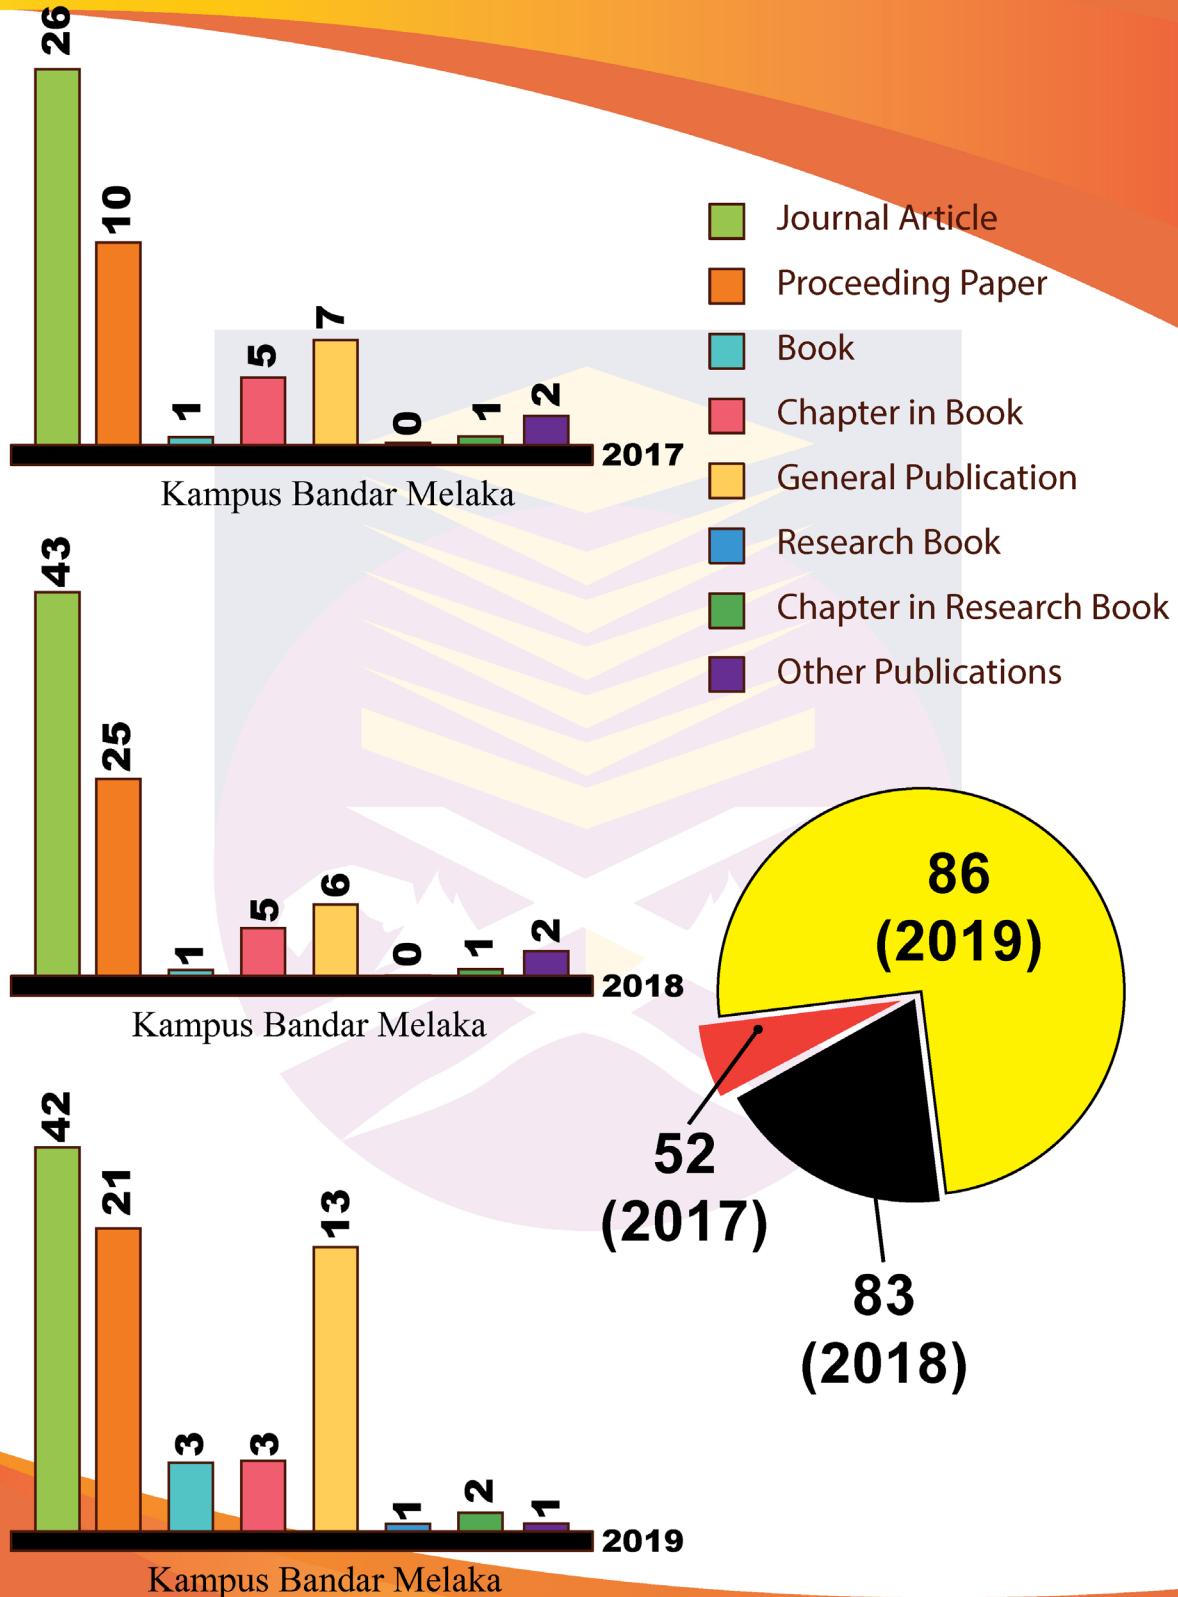

- Manage the publication process of the Academic Journal of Business and Social Sciences (AJoBSS).
- Manage and maintain the indexing quality of the Academic Journal of Business and Social Sciences (AJoBSS).
- Conduct training or workshops that are related to scholarly publications.
- Manage and maintain the PRISMa system.
- Verify records entered by lecturers in the PRISMa system.
- Manage the publication process of PJI EDGe.
- Organize and coordinate conferences, seminars or symposiums.

# **RESEARCH MANAGEMENT UNIT (RMU)**

## **RESEARCH MANAGEMENT UNIT (RMU)**

### **ABOUT RMU**

Research Management Unit (RMU) is one of the main units under the Division of Research and Industrial Linkages. There are four main subunits under RMU. (1) Grant (Private and Government) Unit, (2) Innovation and Commercialization Unit, (3) Consultancy and Research Contract Unit and (4) Centre of Excellence Unit. The Reporting Unit is an ad-hoc unit under RMU. Grant (Private and Government) Unit This unit is set up to encourage and facilitate research activities through organizing training programmes, sharing sessions and coordinating internal resources to support the research activities. This unit actively shares any information and updates regarding opening of grant application from any organisations. Moreover, this unit also organizes yearly internal assessment workshop to help the lecturers polish their Fundamental Research Grant Scheme (FRGS) application.

#### **Innovation and Commercialization Unit**

The main activity under this unit is to organize the Melaka International Intellectual Exposition (MIIEx), that is the innovation competition. Apart from that, this unit is also responsible to identify and select innovation products for commercialization and application of intellectual property (IP). Besides, several innovation related workshops are held with the purpose of communicating important information regarding the procedures and documents needed in applying for the IP.

#### **Consultancy and Research Contract Unit**

The main objective of this unit is to share information and to provide trainings in relation to consultation projects which cover basic briefing, financial management and marketing of expertise. Through the unit, more consultation projects could be developed and more collaboration with government agencies, private companies, statutory bodies and multinational companies could be established.

#### **Centre of Excellence Unit**

This unit is responsible to assist any lecturers who wish to set up the special interest group (SIG). It helps with the submission process and monitor the status for each SIG submission with the Research Management Centre in Shah Alam. The establishment of SIG at each faculty level will help to enliven the research activities and produce more publications of research work.

## **INDUSTRY COMMUNITY AND ALUMNI NETWORK (ICAN)**

### **ABOUT ICAN**

The Unit of Industry, Community, and Alumni Network or better known as ICAN is one of the units operating under Research and Industrial Linkages of UiTM Cawangan Melaka. Based on the latest strategic planning, ICAN is responsible in conducting programmes and activities between UiTM Cawangan Melaka and its stakeholders relating to academic, industry, community and the alumni. The perpetual collaboration in communal activities, academic development, and two-way knowledge transfer and sharing programmes between the university and the stakeholders are realised following the objective that the university must stay relevant with the current needs and industrial advancements. Functions and responsibilities of ICAN:

- Forming relationship and collaboration between UiTM Melaka Branch and the industry/ community.
- Identifying and strengthening the relationship between UiTM Melaka Branch and the industry in accordance with the individual faculty's niche areas.
- Conducting, managing, and coordinating industrial linkages programmes held by the faculties, departments or units in UiTM Cawangan Melaka such as CEO Talk, industrial visits, Knowledge Transfer Programme (KTP), managing staff undergoing industrial attachment or professional training, and industrial collaboration in the name of academic development.
- Conducting, managing, and coordinating community linkages programmes such as University Community Engagement (UCE), community service, and volunteering activities held by the faculties, departments or units at UiTM
- Conducting, managing, and coordinating alumni linkages programmes such as alumni homecoming, alumni advancement survey, and the involvement of alumni in activities held by the faculties at UiTM Cawangan Melaka.
- Preparing development reports such as UCTC (University Community Transformation Centre) Impact Report, industrial linkages report, and alumni data.
- Providing information needed for the university's strategic planning.
